Sermon Notes

Thought for the Week

God saves sinners. God—the Triune Jehovah, Father, Son and Spirit; three Persons working together in sovereign wisdom, power and love to achieve the salvation of a chosen people, the Father electing, the Son fulfilling the Father's will by redeeming, the Spirit executing the purpose of Father and Son by renewing. Saves—does everything, first to last, that is involved in bringing man from death in sin to life in glory: plans, achieves and communicates redemption, calls and keeps, justifies, sanctifies, glorifies. Sinners—men as God finds them, guilty, vile, helpless, powerless, unable to lift a finger to do God's will or better their spiritual lot.

J.I. Packer

October Bible Memory Verse
